

## **Career**

We as Westfalenfinanz are constantly looking for motivated and highly qualified colleagues. If you feel that any of the following job profiles sound like you we would be delighted to meet you.

Please send your detailed application documents by email only to: [karriere@westfalenfinanz.de](mailto:karriere@westfalenfinanz.de)

## **Professionals**

As a professional, you have an excellent university degree and initial relevant professional experience. Excellent numeracy, strong communication skills and international experience are part of your repertoire as is a strong interest in customer acquisition and building long-term customer relationships.

We are only as good as our team. Those who join us, will have an understanding of a wide range of fields, will be able to work on a customer and project basis and will bring new ideas to the table. Our advantages: flat hierarchies, direct communication and a strong team spirit.

## **Interns**

Ideally, an internship with us should be for three to six months. You are in the final stages of your university degree and have strong analytical and numeracy skills. Commitment, motivation and the necessary "soft skills" are a matter of course for you.

We constantly offer internships. Your tasks will include corporate and market analyses, business valuations and "financial modelling" as well as ad-hoc projects that will give you an insight into international M & A transactions.
